

# Aerobic Rice and Irrigation Automation Field Day #2

**When:** Thursday 14<sup>th</sup> March 2024 | 6pm -7:30pm | BBQ to follow

**Where:** Yarran Park, Coghlan Road, Widgelli (Just outside Griffith)

See the following in action:

## Aerobic Rice

- Opportunity to see aerobic rice crops, side by side with traditional ponded rice. See irrigation and nitrogen strategies in action.

## Irrigation Automation

- Opportunity to see what makes aerobic rice possible – automated irrigation outlets, surface fertigation rigs and diesel recycle pumps all automated using low-cost approaches
- Demonstrations by the Deakin team showing how simple it is to build your own irrigation outlet automation with low cost wi-fi Automation

**Format:** The field day will be a 'walk, see and talk' event with informal discussion/demonstration of the crops, technologies and a chance to ask questions and discuss automation and aerobic rice with irrigator Chris Morshead (Yarran Park), Agronomist James Mann (Yenda Prods) & Researcher John Hornbuckle (Deakin University), – Please Bring Boots + hat

## Directions

From Griffith, head east on Irrigation Way for approximately 12 km, turn right into Coghlan Road, follow signs. <https://goo.gl/maps/a3LaFfqzP1ZvBwJU6>
